Re: Reidell Environmental
Service

Attention: Ms. Martha Steincamp, Assistant Regional Counsel

Gentlemen:

Reference is made to our telephone conversation on this date pertaining to past involvement of Reidell Environmental Service at the Martha C. Rose Chemical Company site. The reference to Reidell Environmental Service in the Revision 1, Generator Listing was obtained from entries in the Sales Journal and Accounts Receivable ledgers which were obtained from financial records of American Steel. Additionally, the name Reidell Environmental Services (Manifest No. 1494) was included in the list of generators given to your office by the Martha C. Rose Chemical Company. We do not have a copy of Manifest Number 1494; therefore, we are unable to confirm the amount of PCB materials that may have been delivered to the Martha C. Rose Chemical Company by Reidell Environmental Services.

Copies of the documentation we currently have pertaining to Reidell Environmental Service are enclosed for your review and are as follows:

- o Sales Journal Page, 11x17 size (1 sheet)
- o Accounts Receivable Page, 11x17 size (1 sheet)
- o Martha C. Rose Generator List, Page 22, 8-1/2x11 size (1 page)
